Nowadays most computer not have CD Driver, so we canceled CD. You can download software here:

GL20 GM GDS2 2024.05.08

https://mega.nz/file/1OUTCIBL#LiYacVV31cVcxKgSVVY0p9RXZ1hWoxda1kFQH9jgt_M

The software installation package contains an installation tutorial video.

GDS Patch:

<https://mega.nz/file/wJk2EbLJ#pcdlLPE0JM7TVQS-v8-mtc9eYIQPtIVcsVvNg6xYM9M>

You can download the driver from:

<http://www.vxdiag.net>

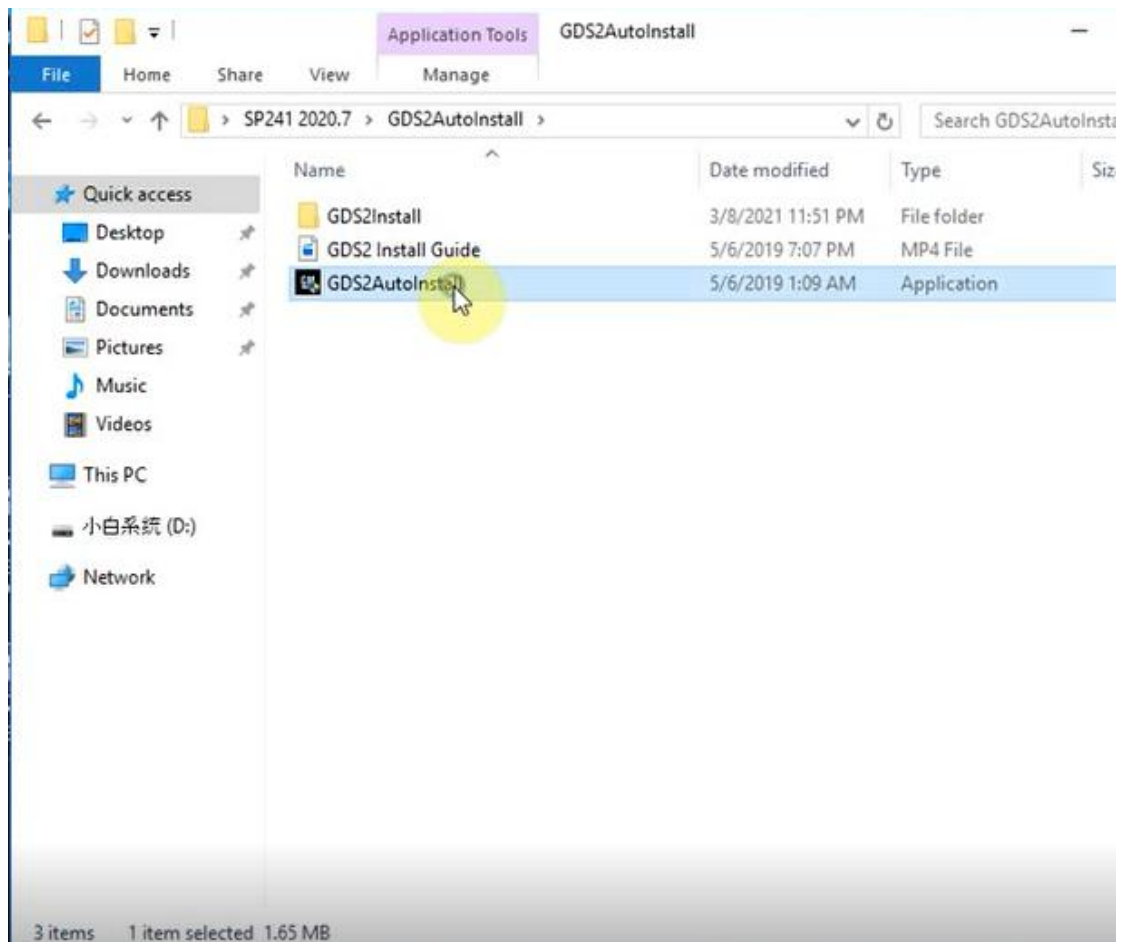

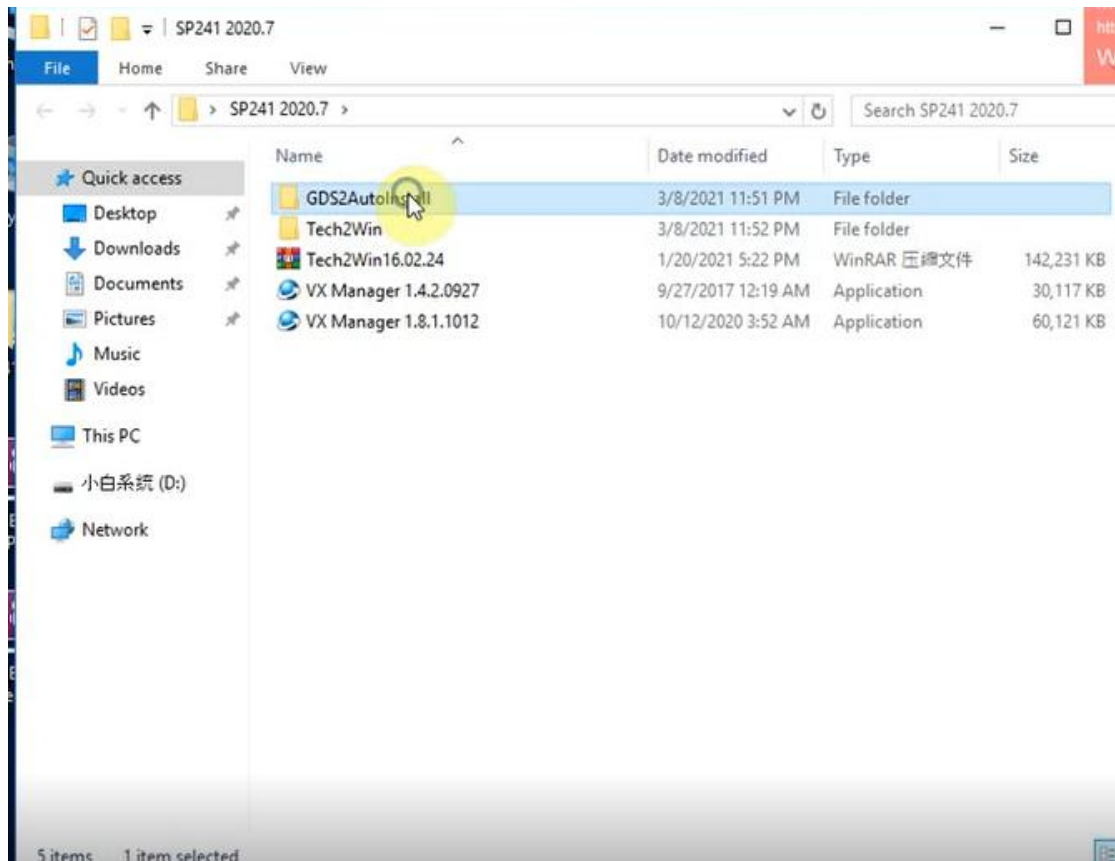

If after you read our user manual you still unable to install the software, please feel free to add our aftersale service whatsapp: +86 13715087499, we will respond you asap.

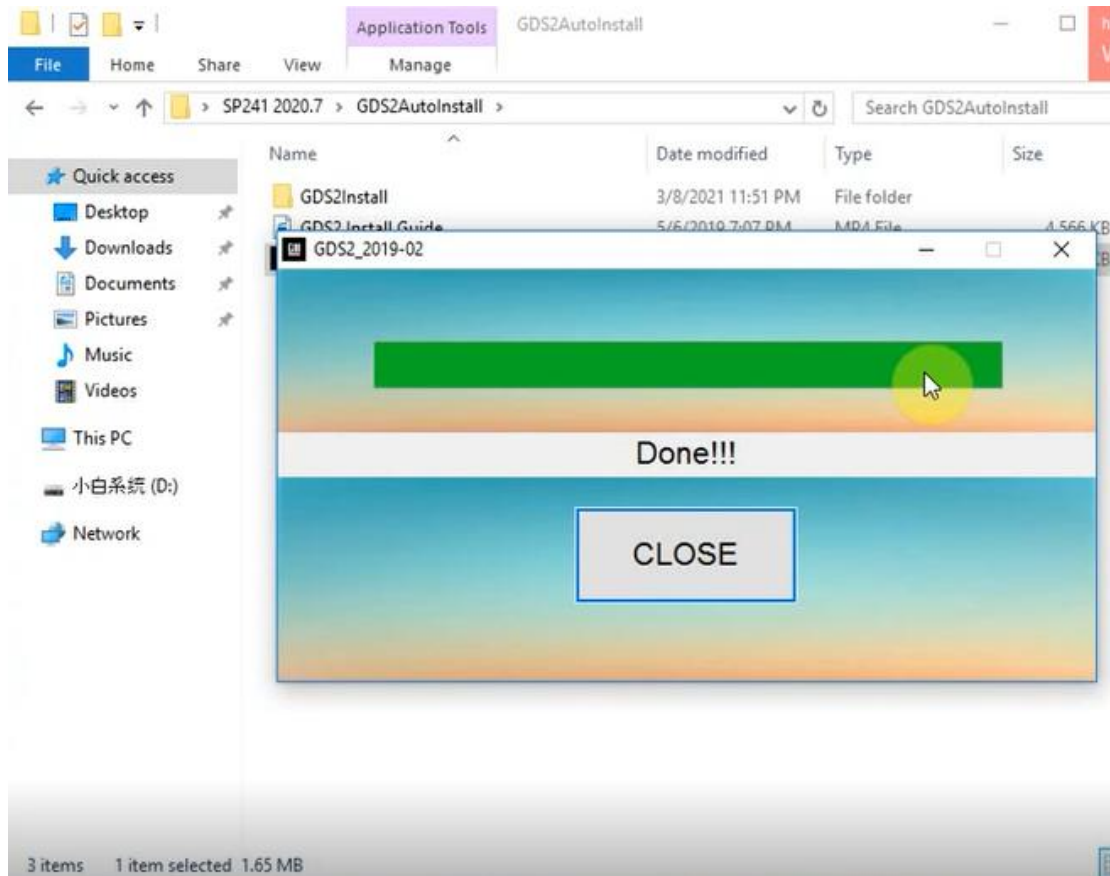

For SPS Programming, you need buy online subscription.

GDS2 and Tech2win can both install on WIN10 64Bit OS, If your tech2win unable to install on WIN10 64bit laptop, please try WIN7 32bit computer.

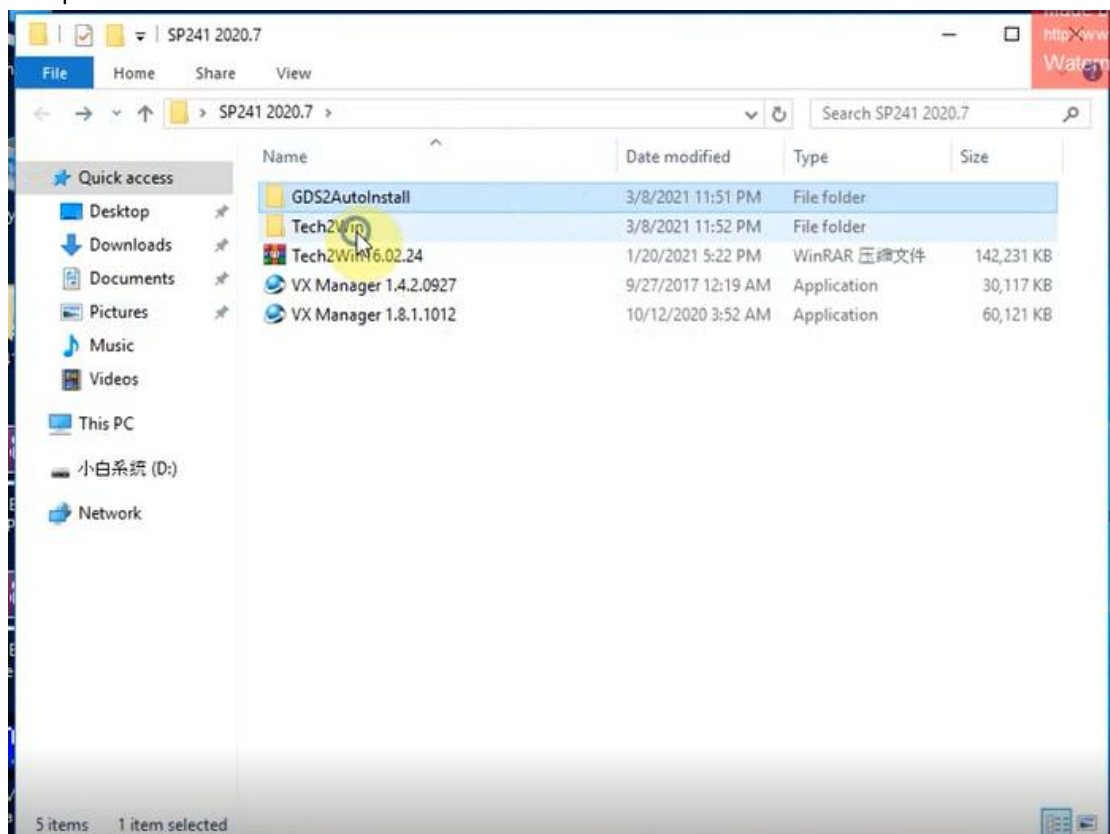

Let's start the Tech2win installation on WIN10:

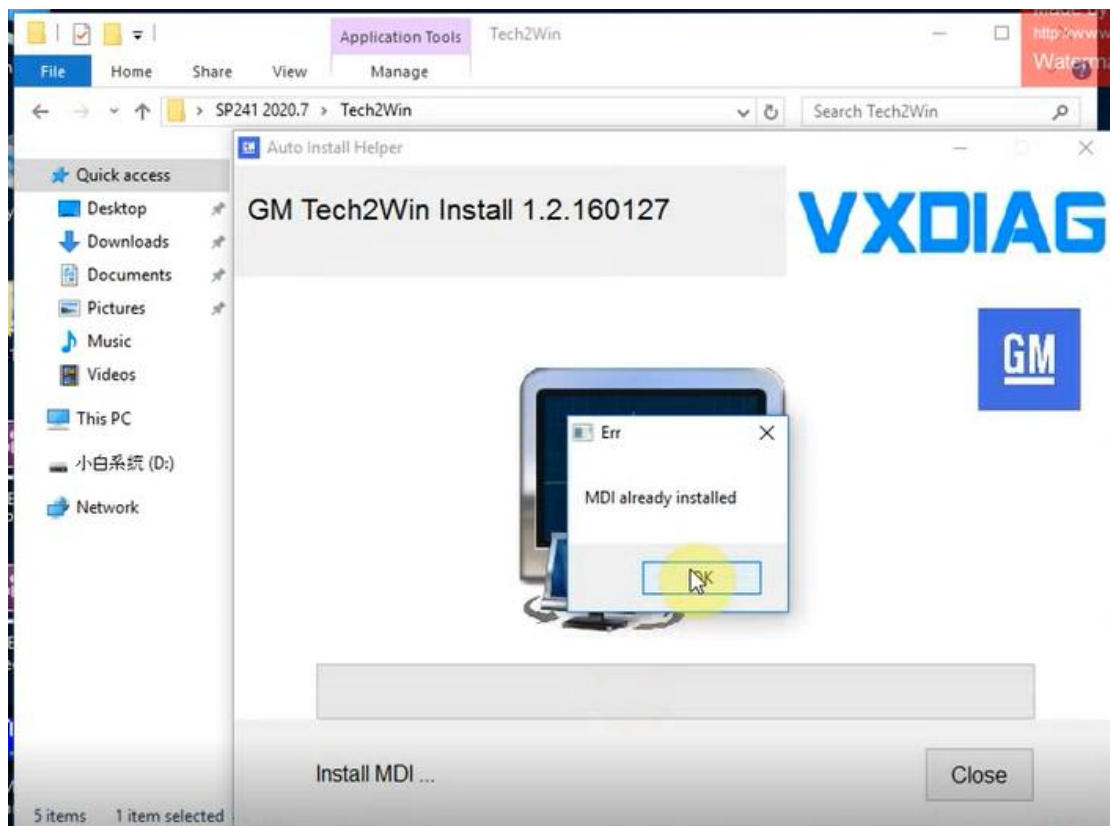

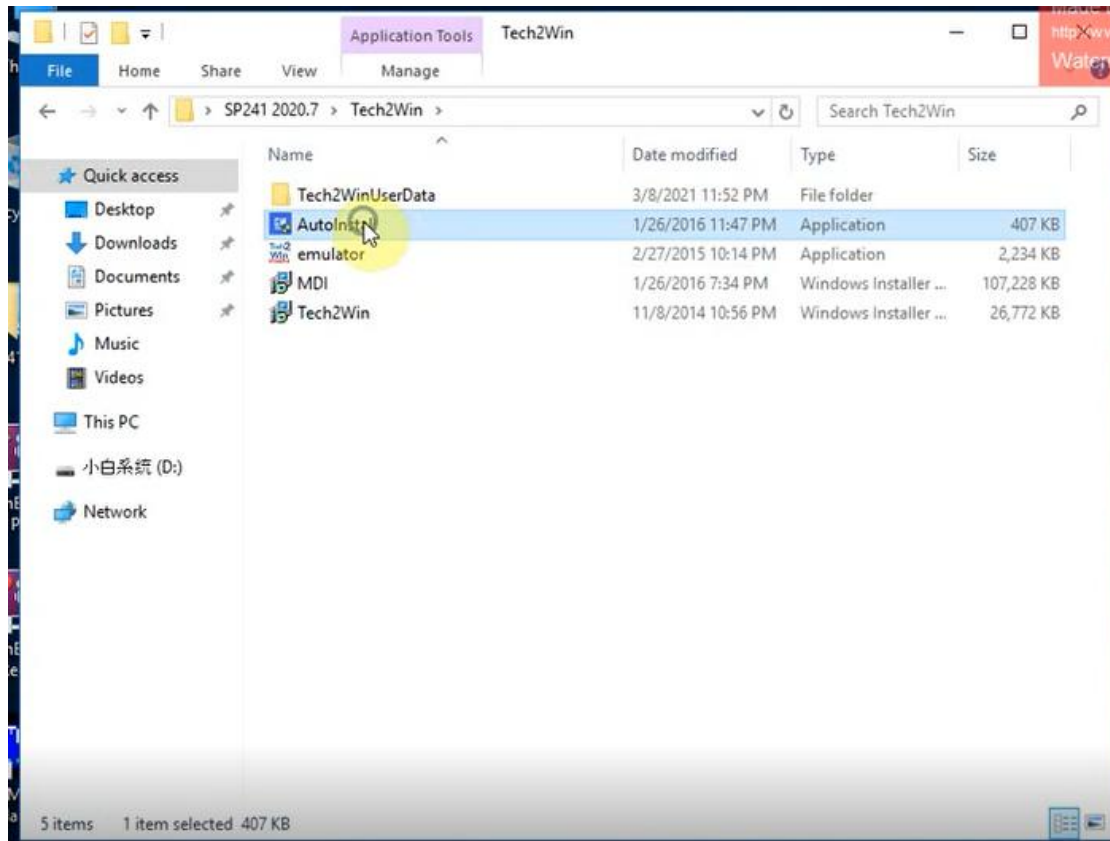

1. First download the Mega file as a folder and unzip it. Then open the GDS2Autoinstall folder, click GDS2Autoinstall.

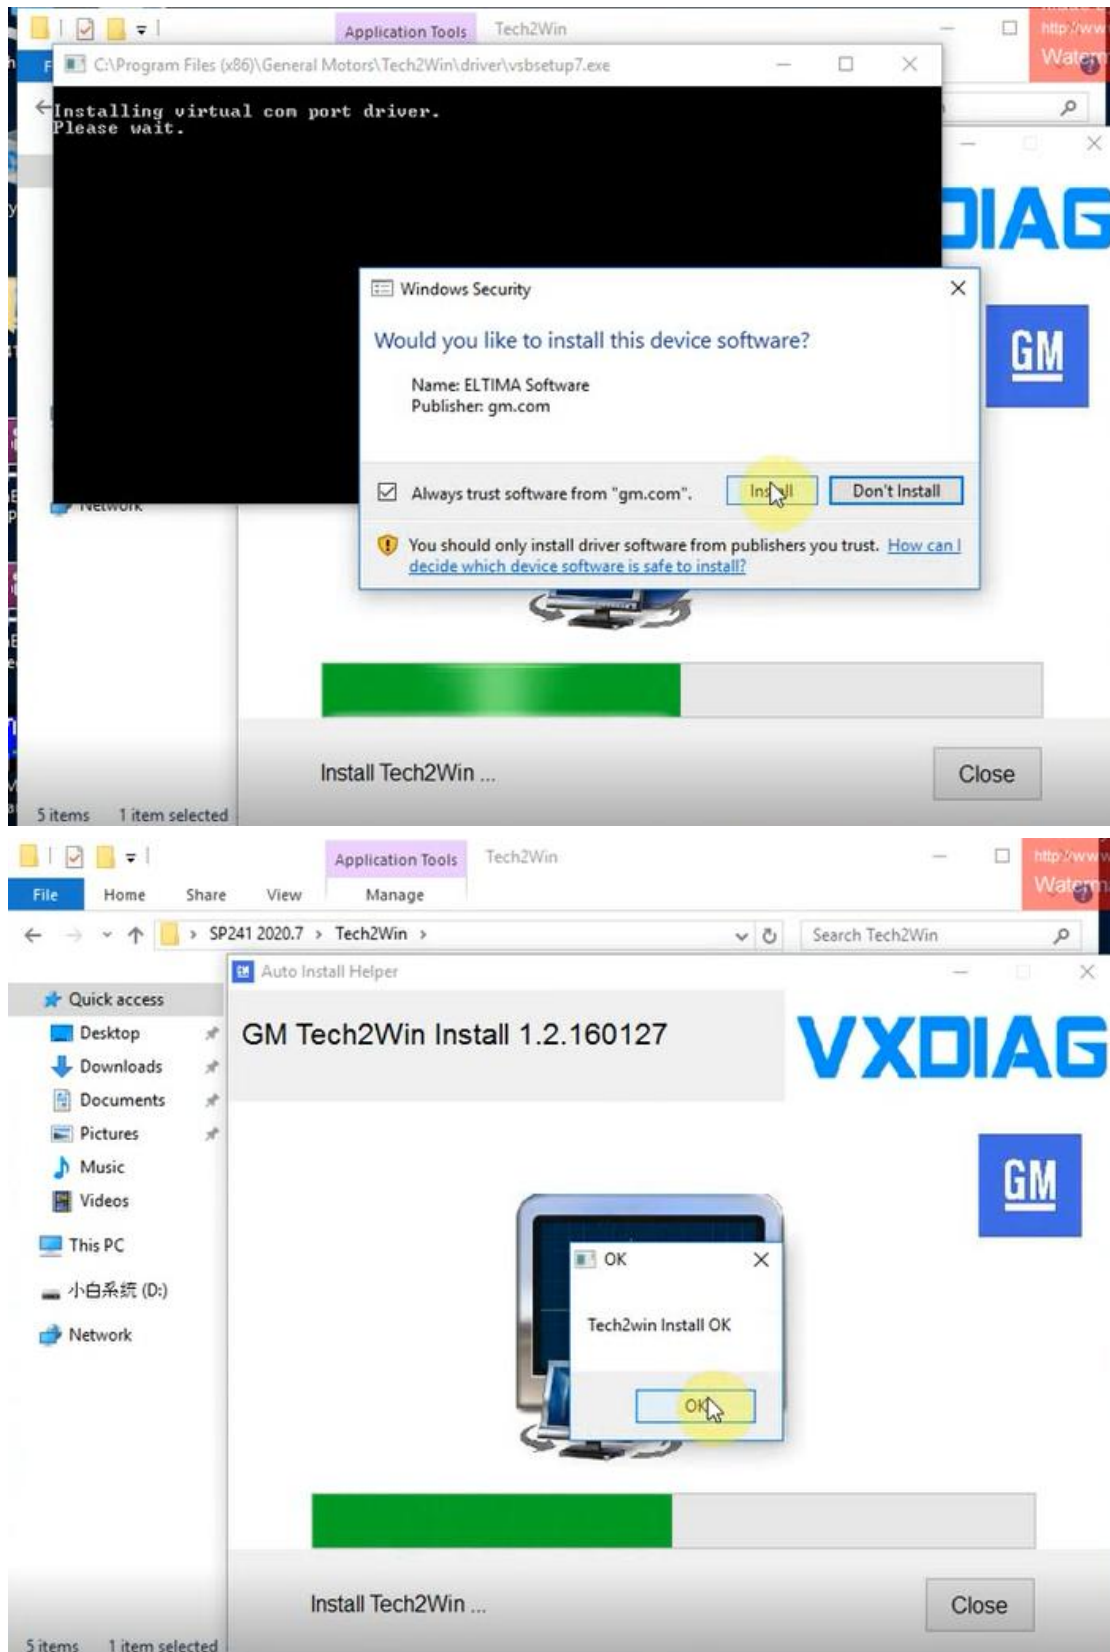

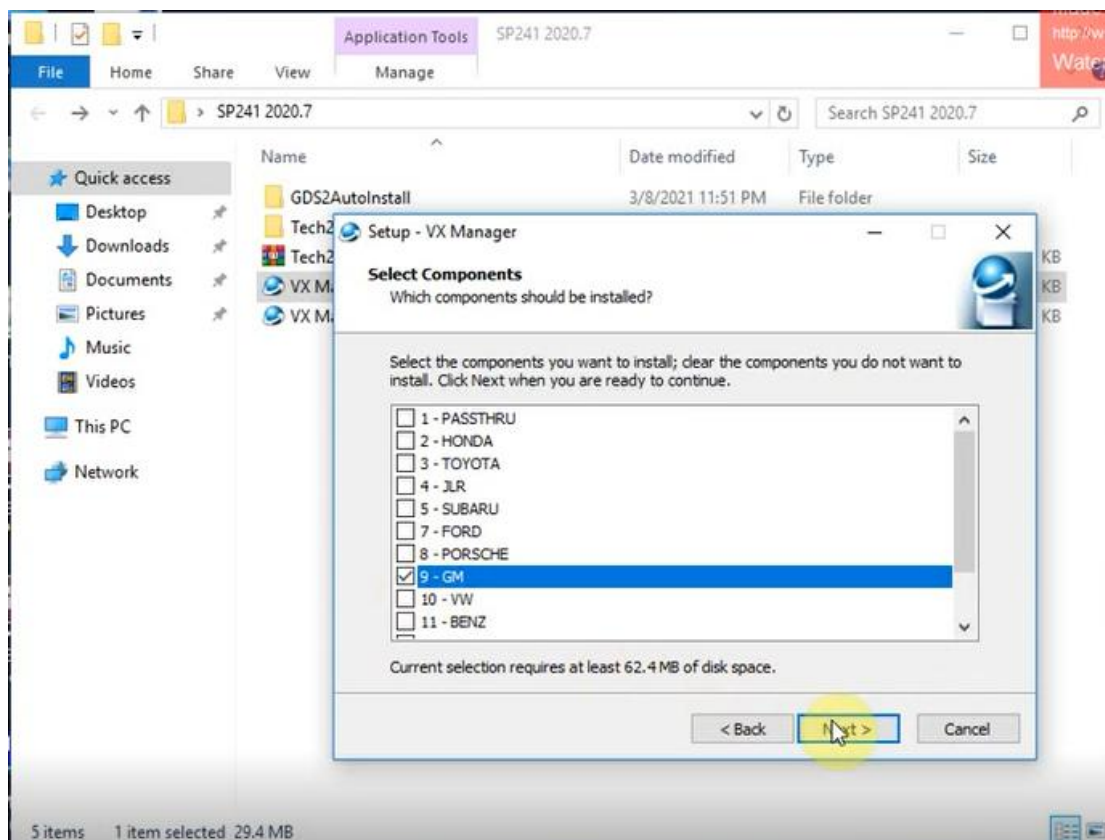

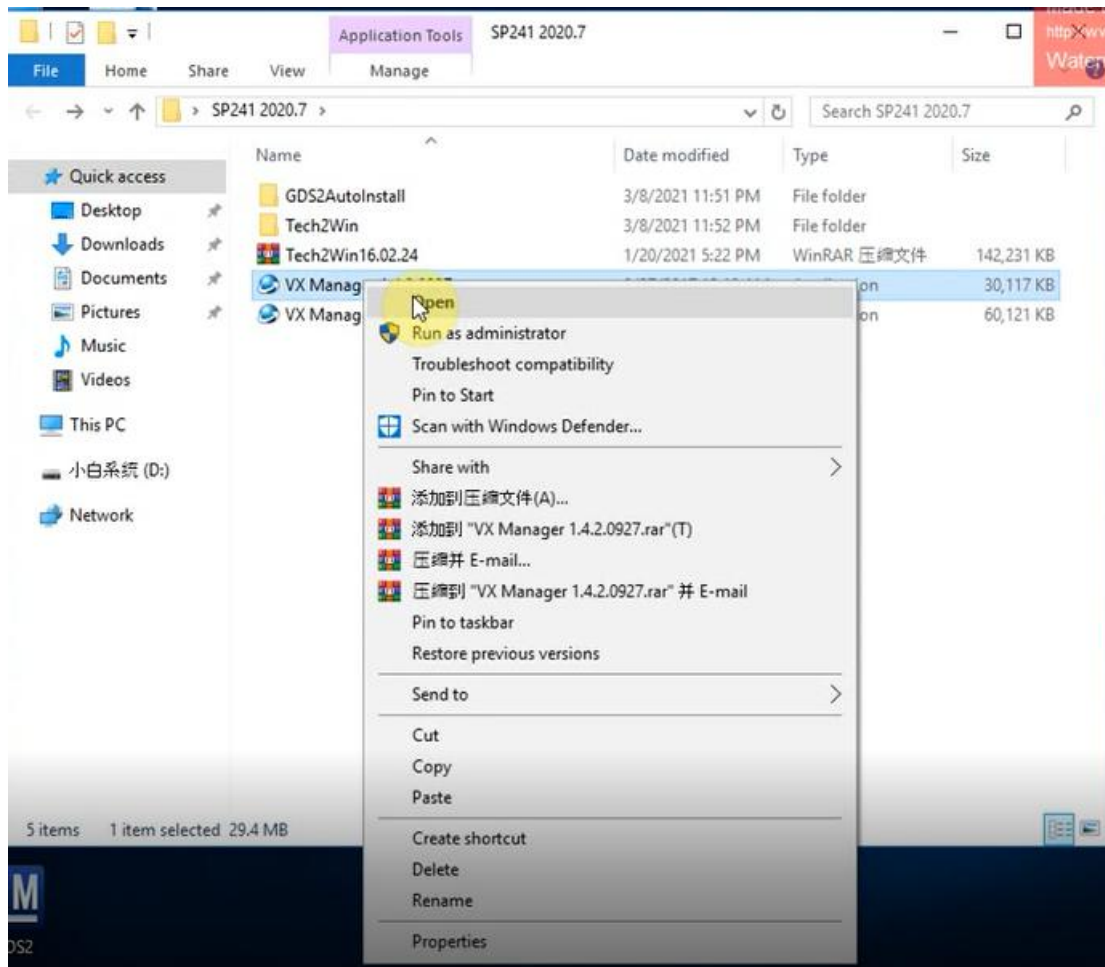

2. Open Tech2win folder. Click Autoinstall.

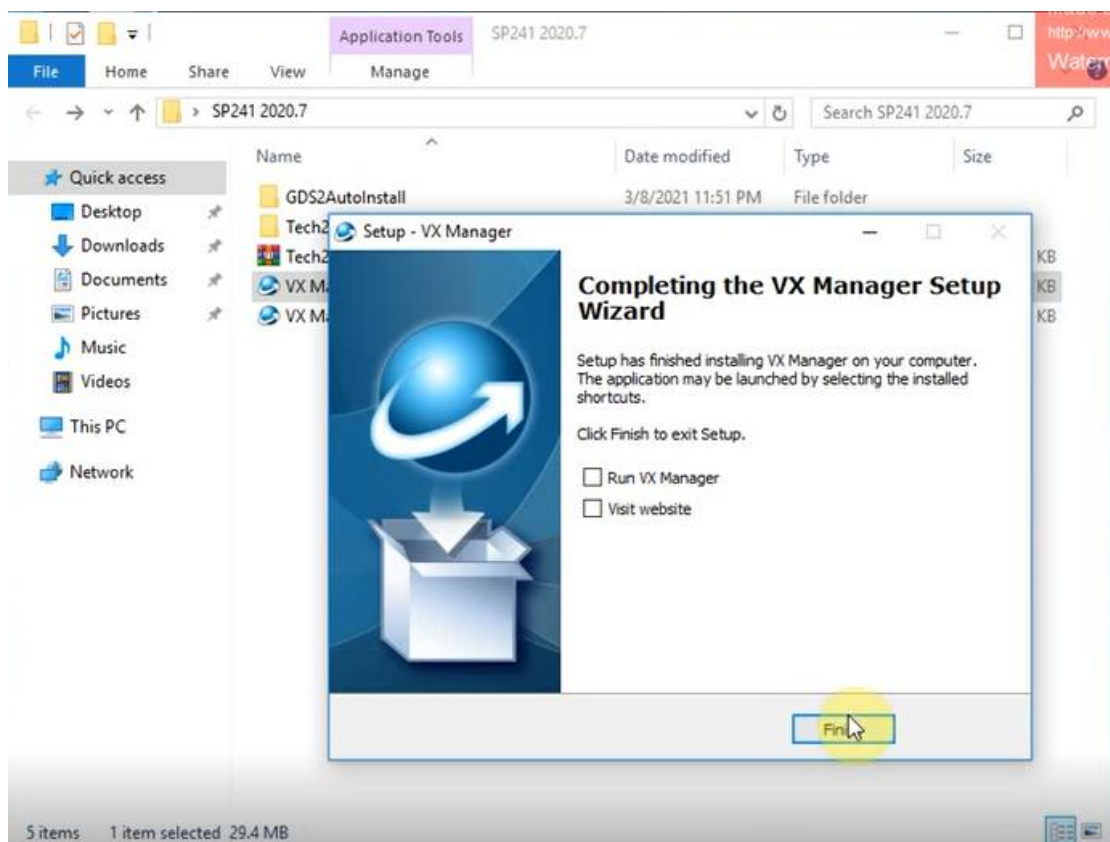

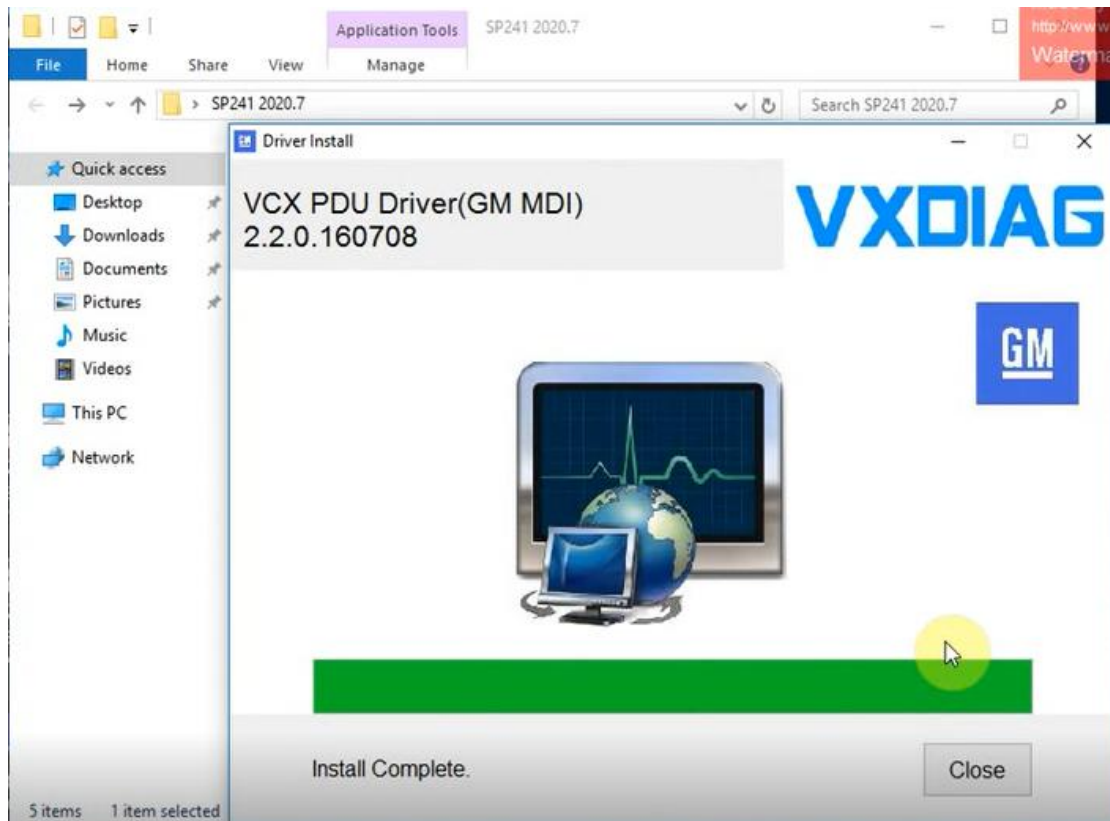

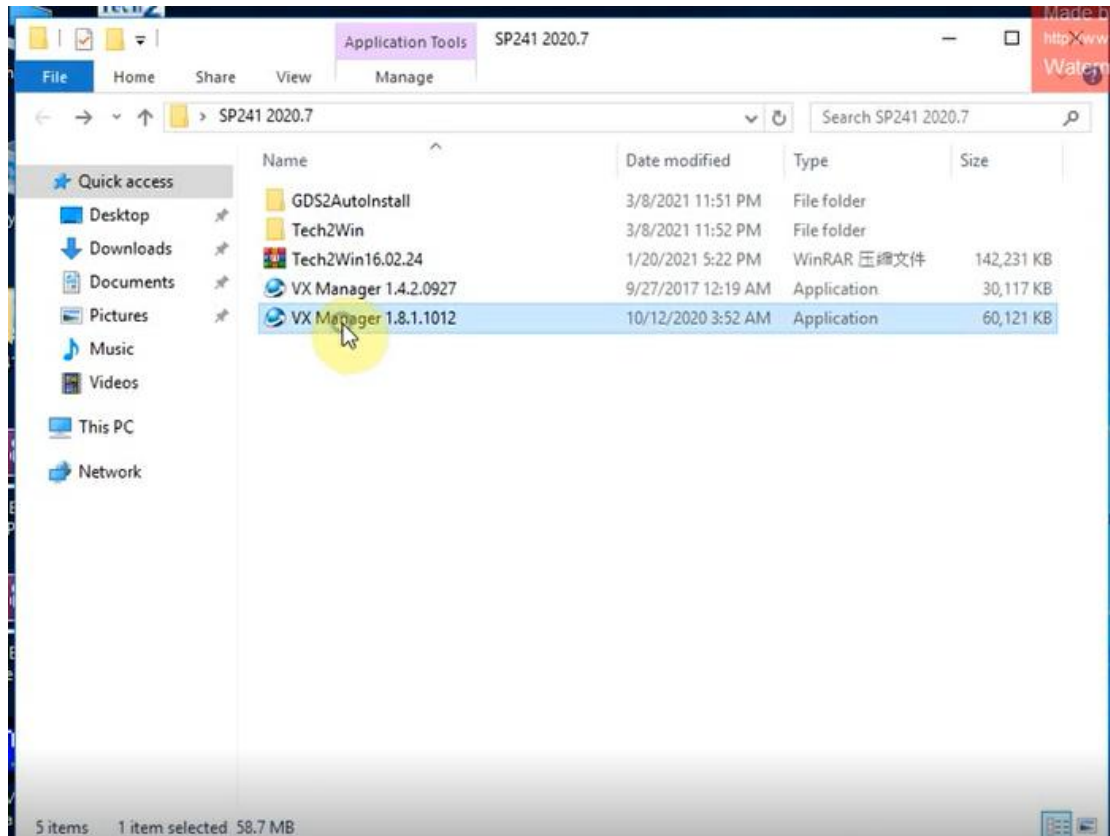

3. Install VXMANAGER.

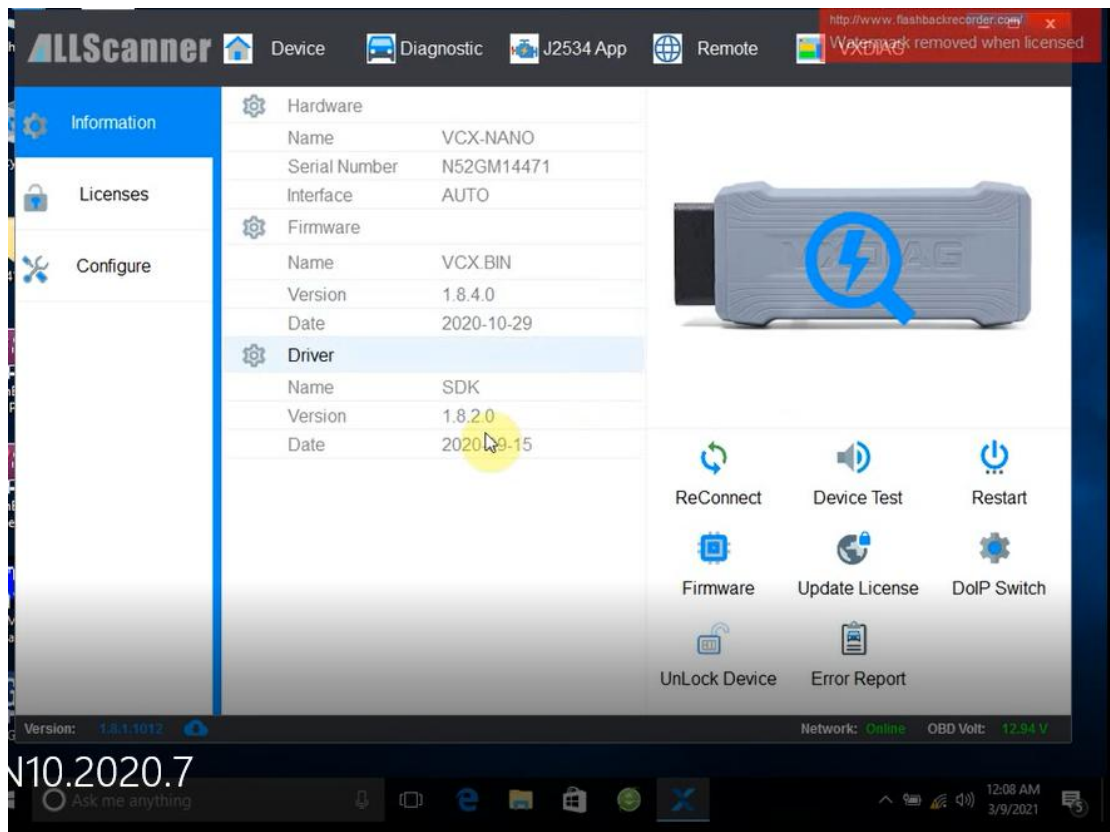

Install VX Manager 1.8.1012, exactly same step as you install VX Manager 1.4.2.0927.

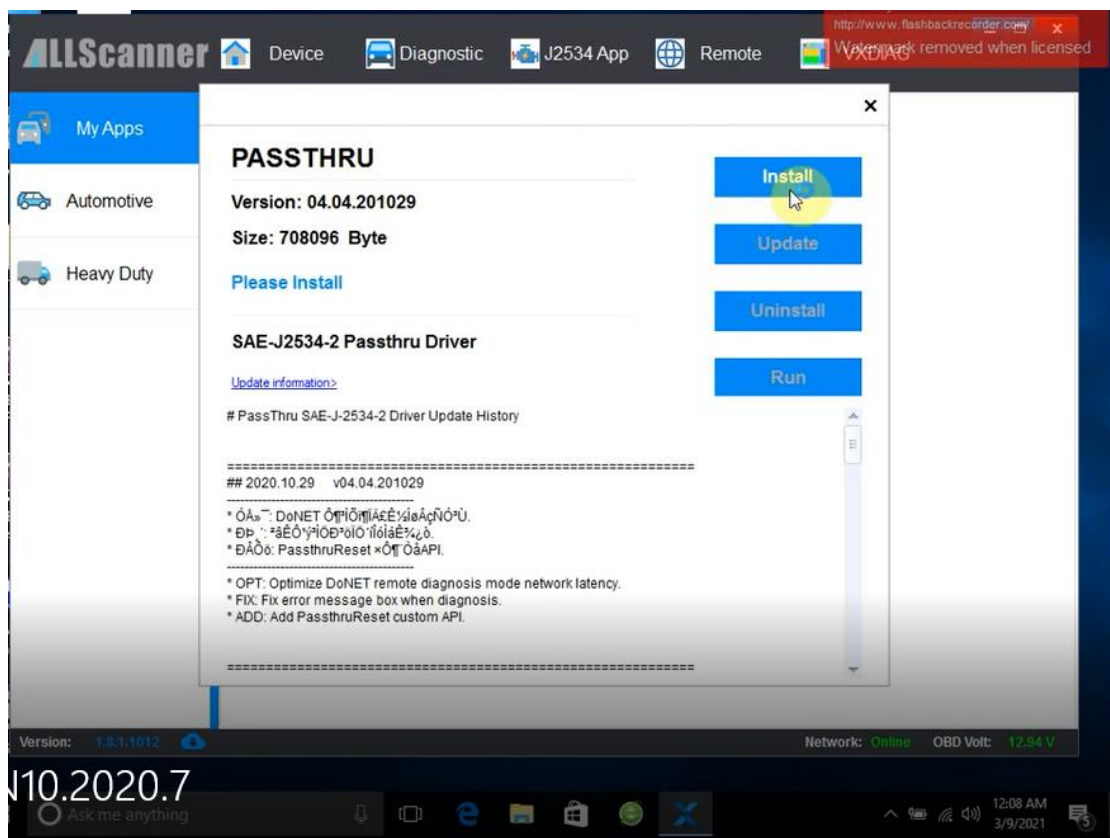

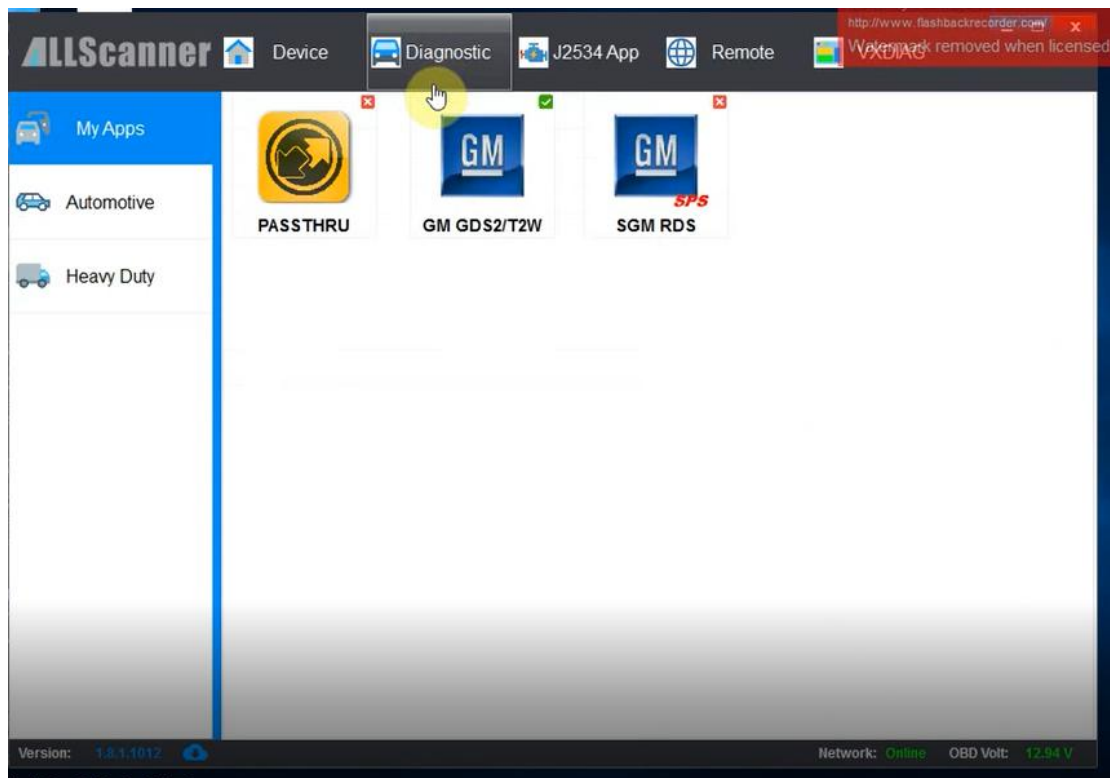

4. Start the VX Manager.

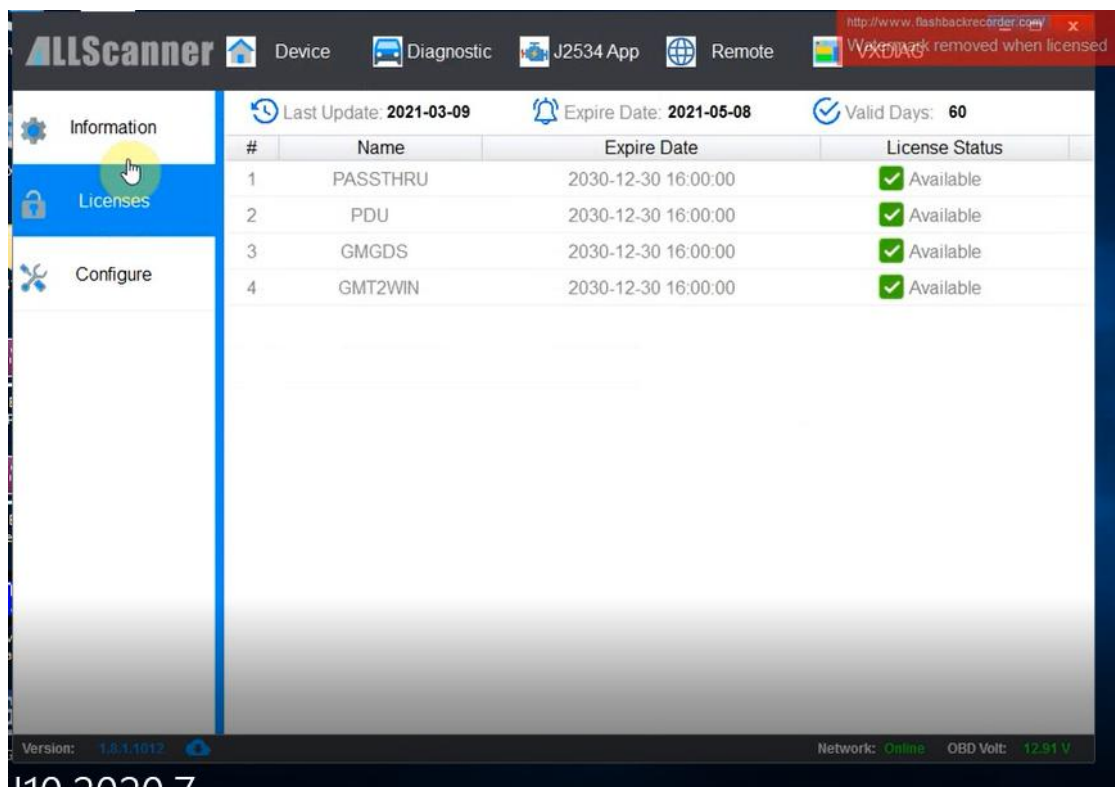

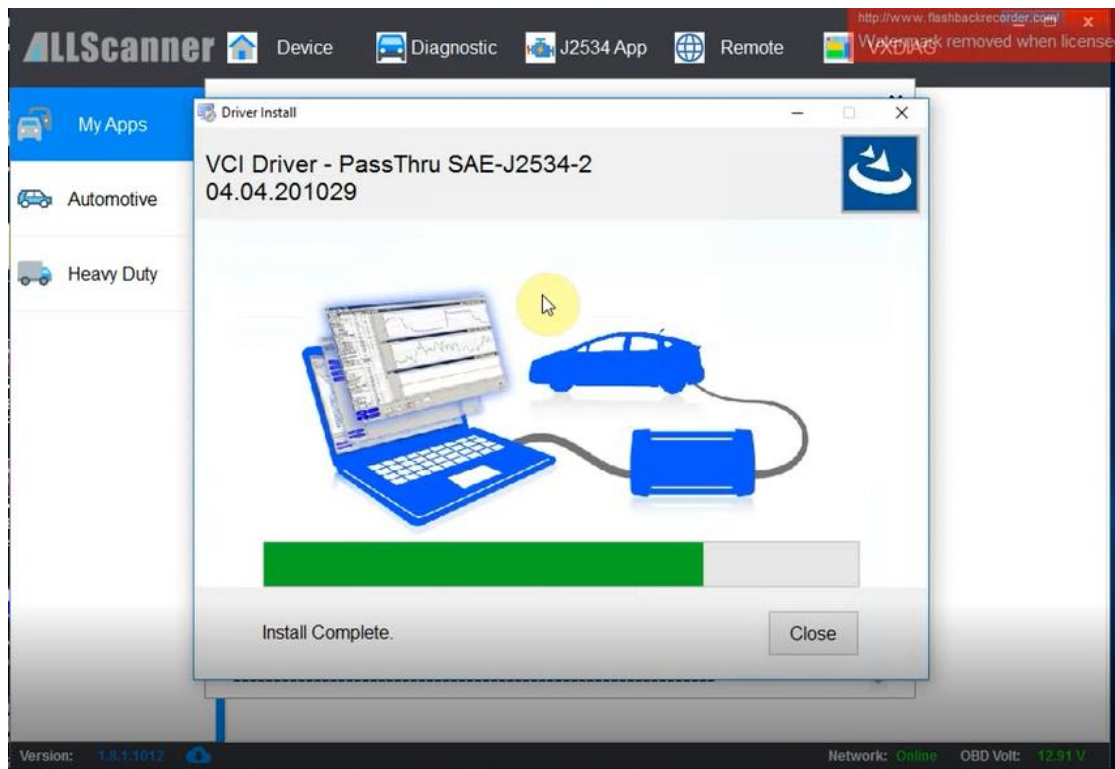

Make sure you your computer network is good. Connect your device by USB cable to computer and OBD2 Socket to your ECU Bench connector or Your car's OBD2 Port.

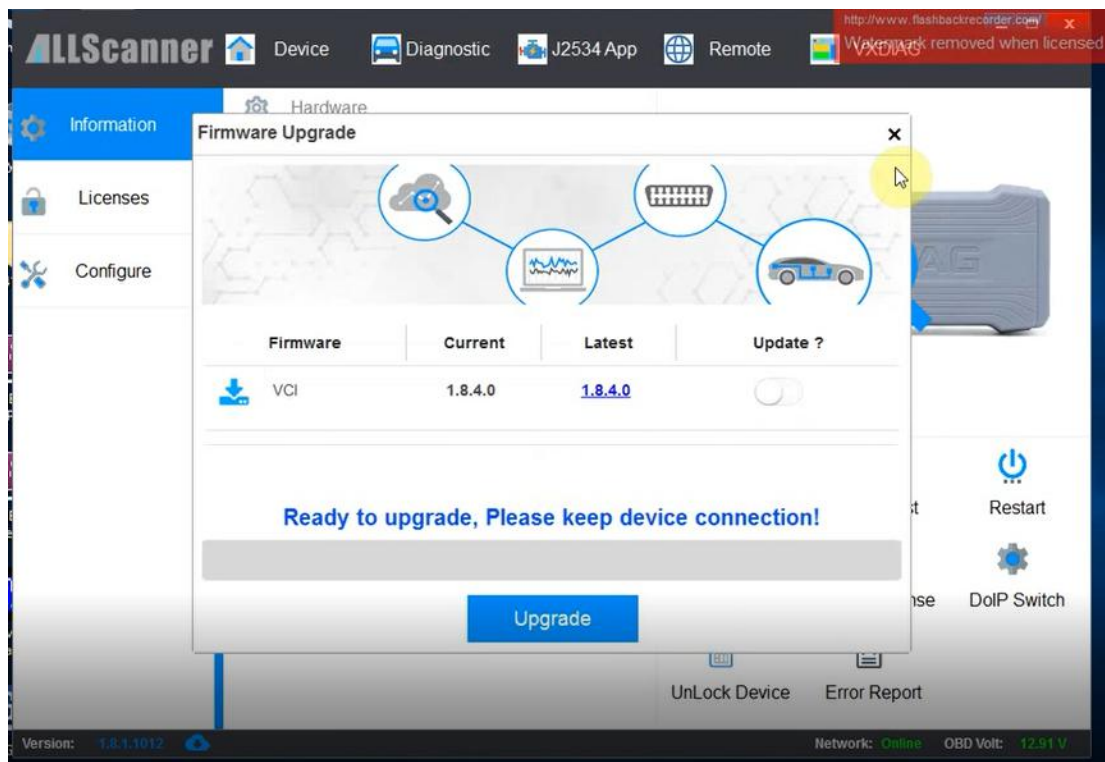

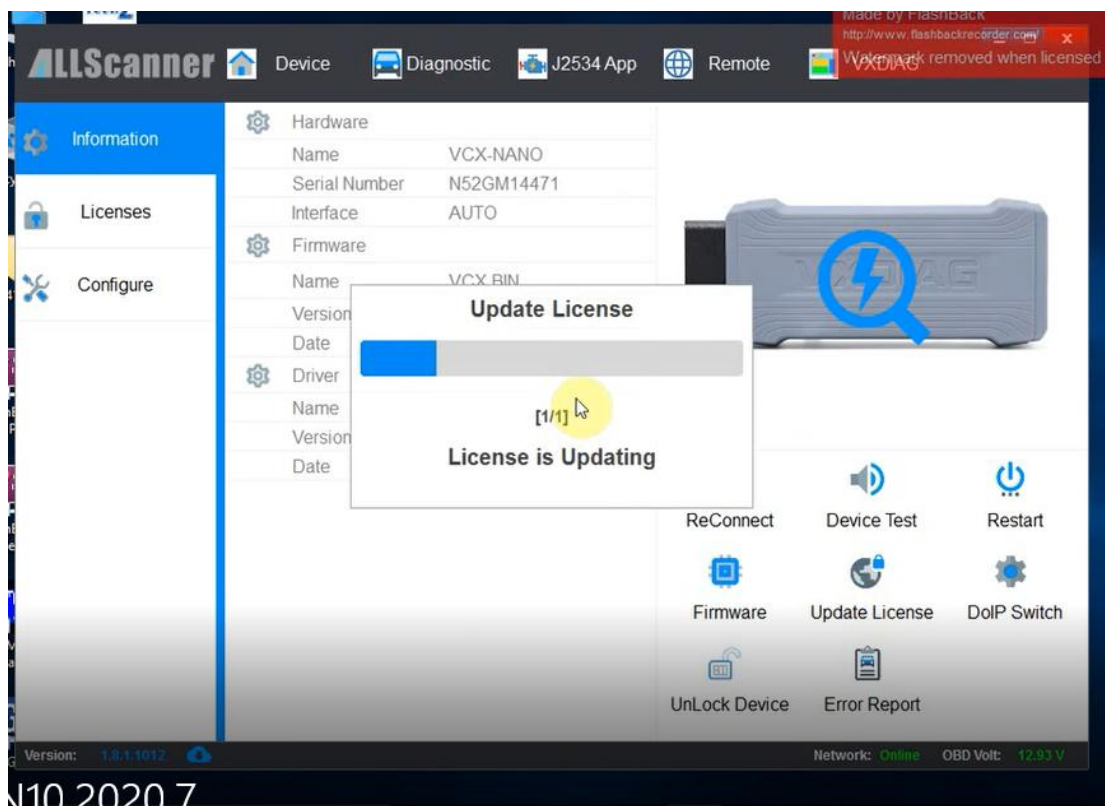

Install Passthru driver.

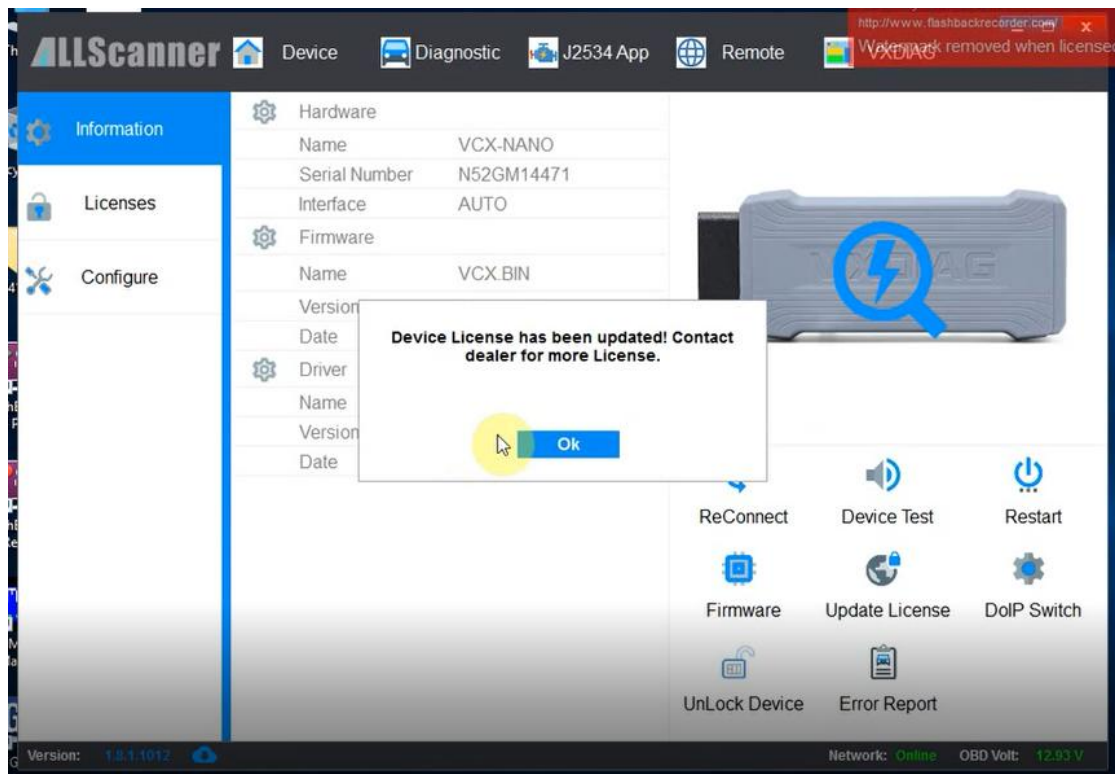

Check your device license. If your license expired, please feel free to contact us to extend for free.

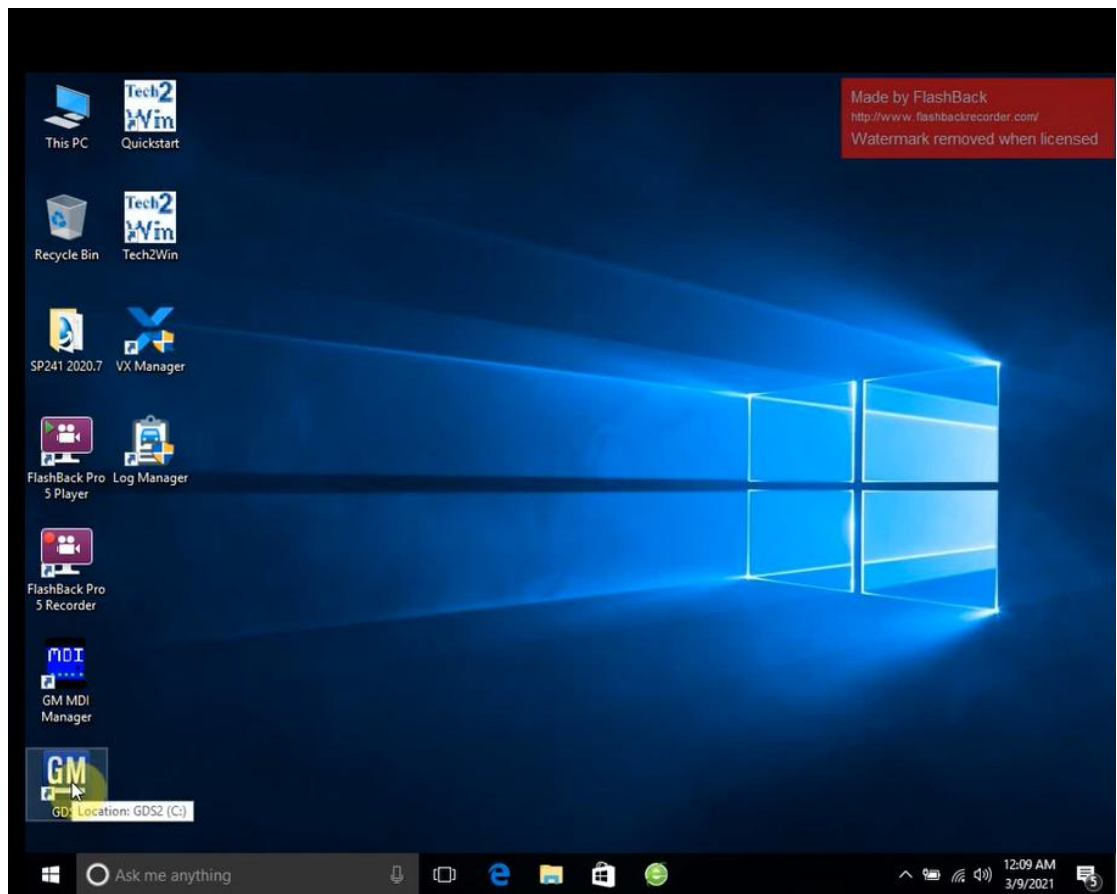

Firmware update.

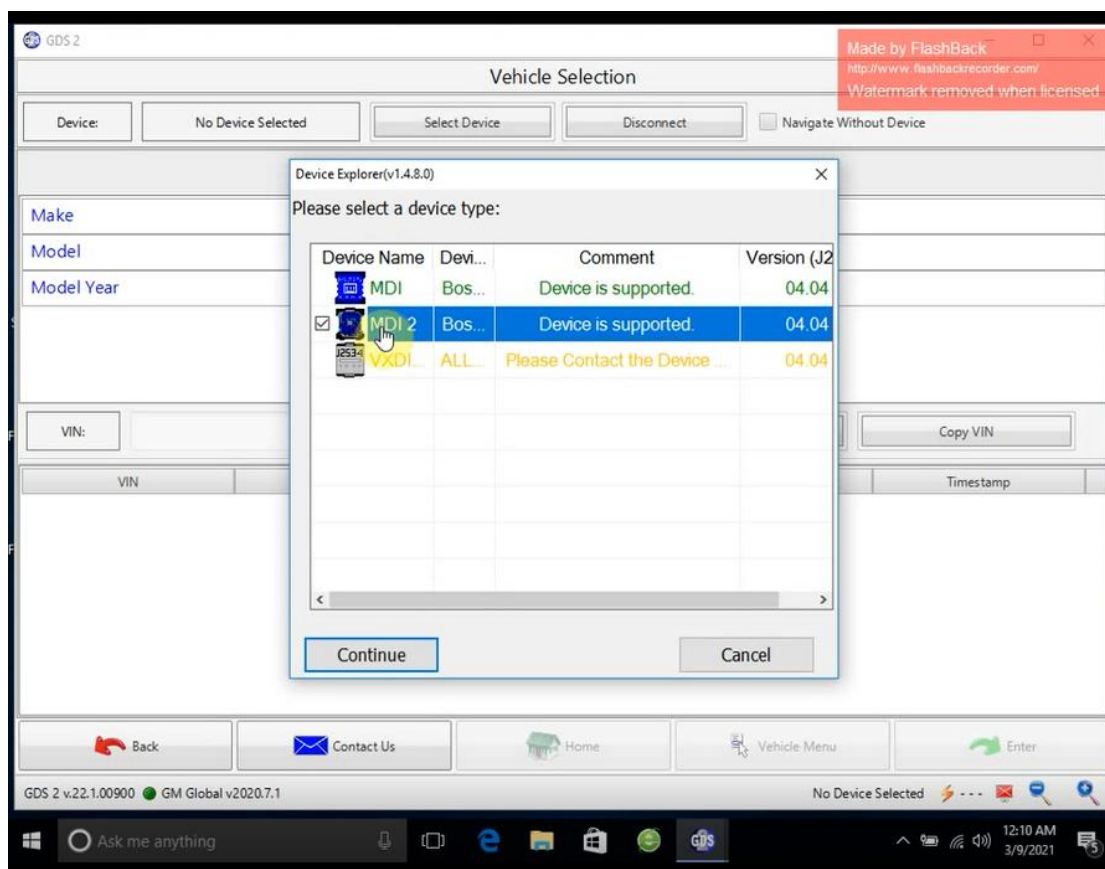

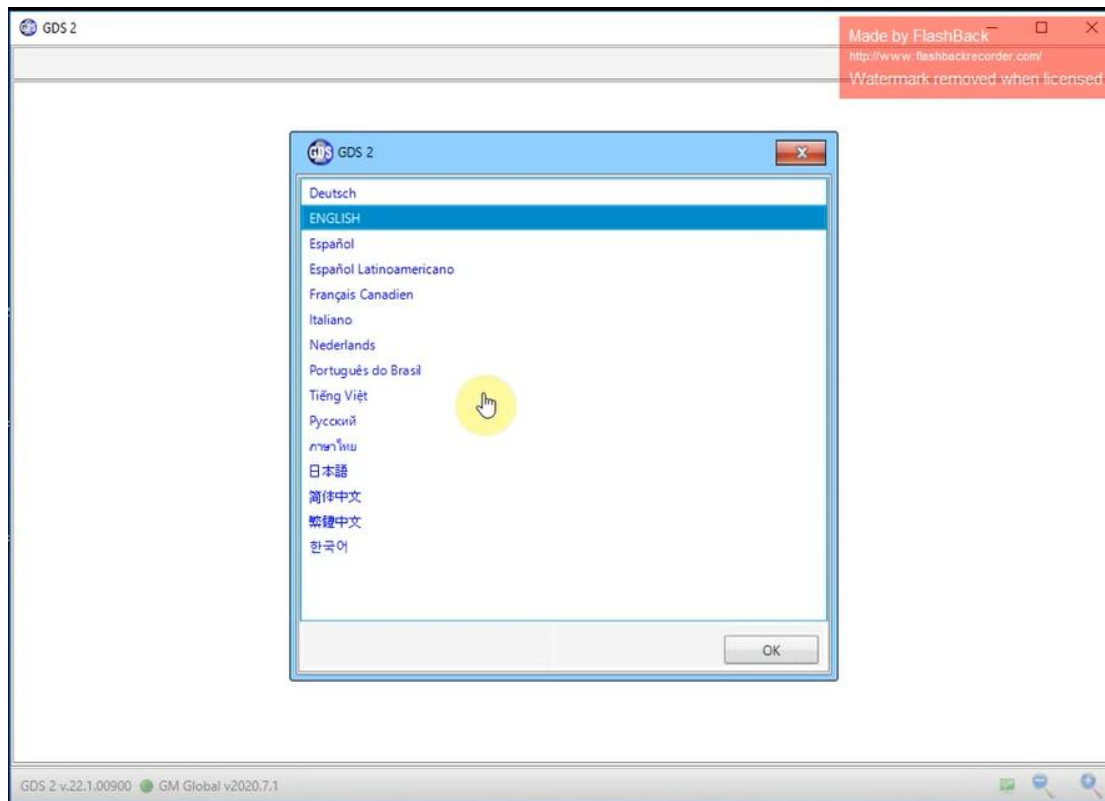

Update license.

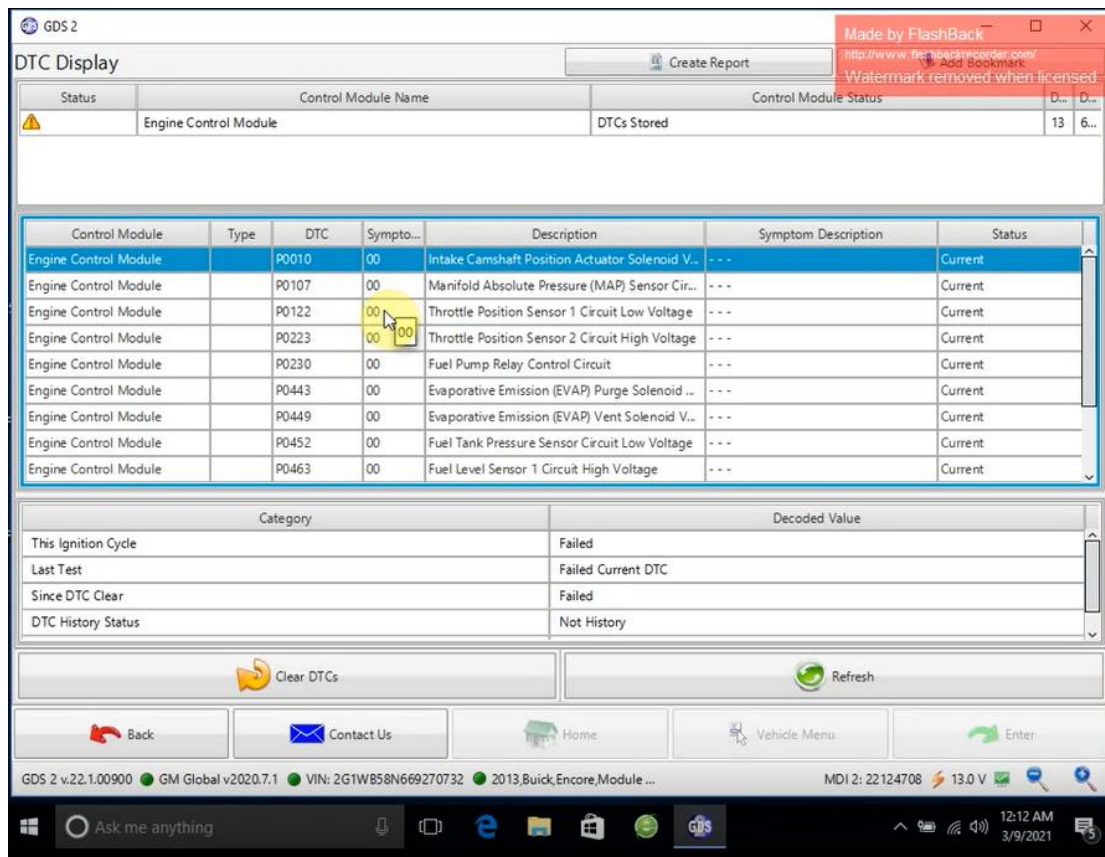

5. Start GM

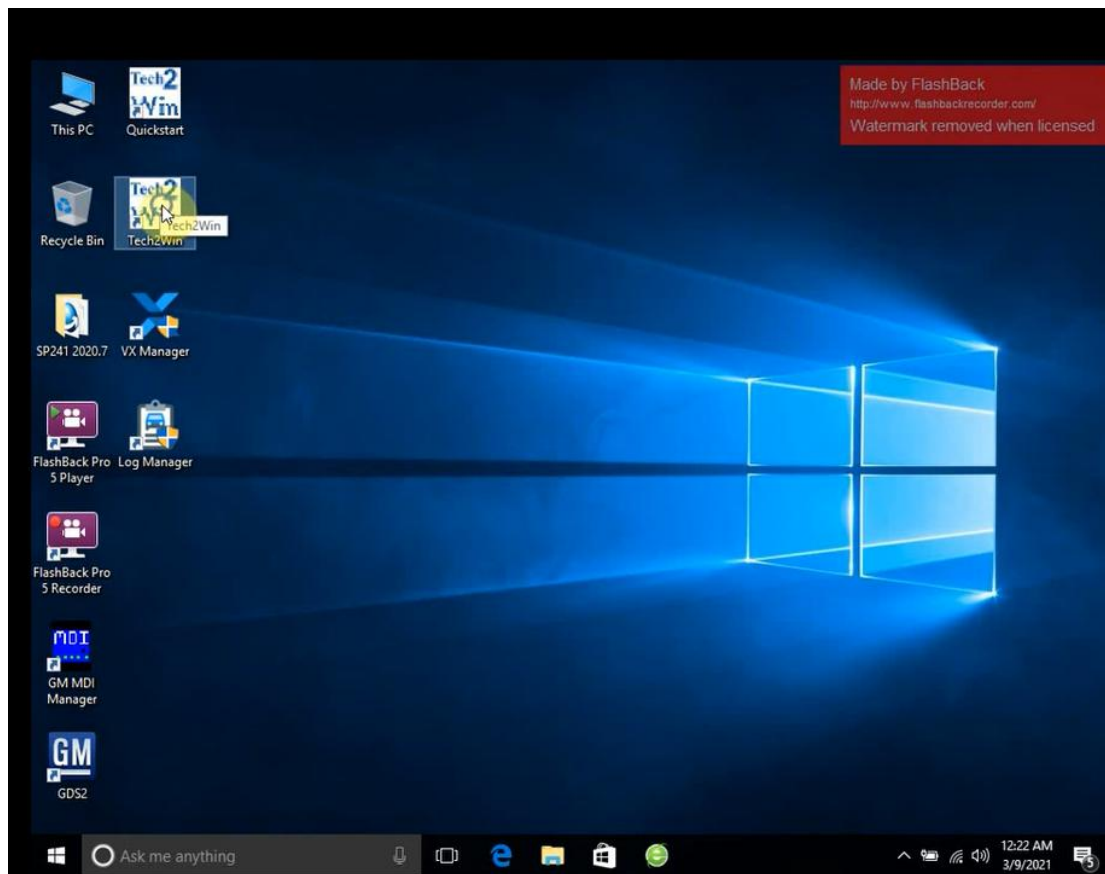

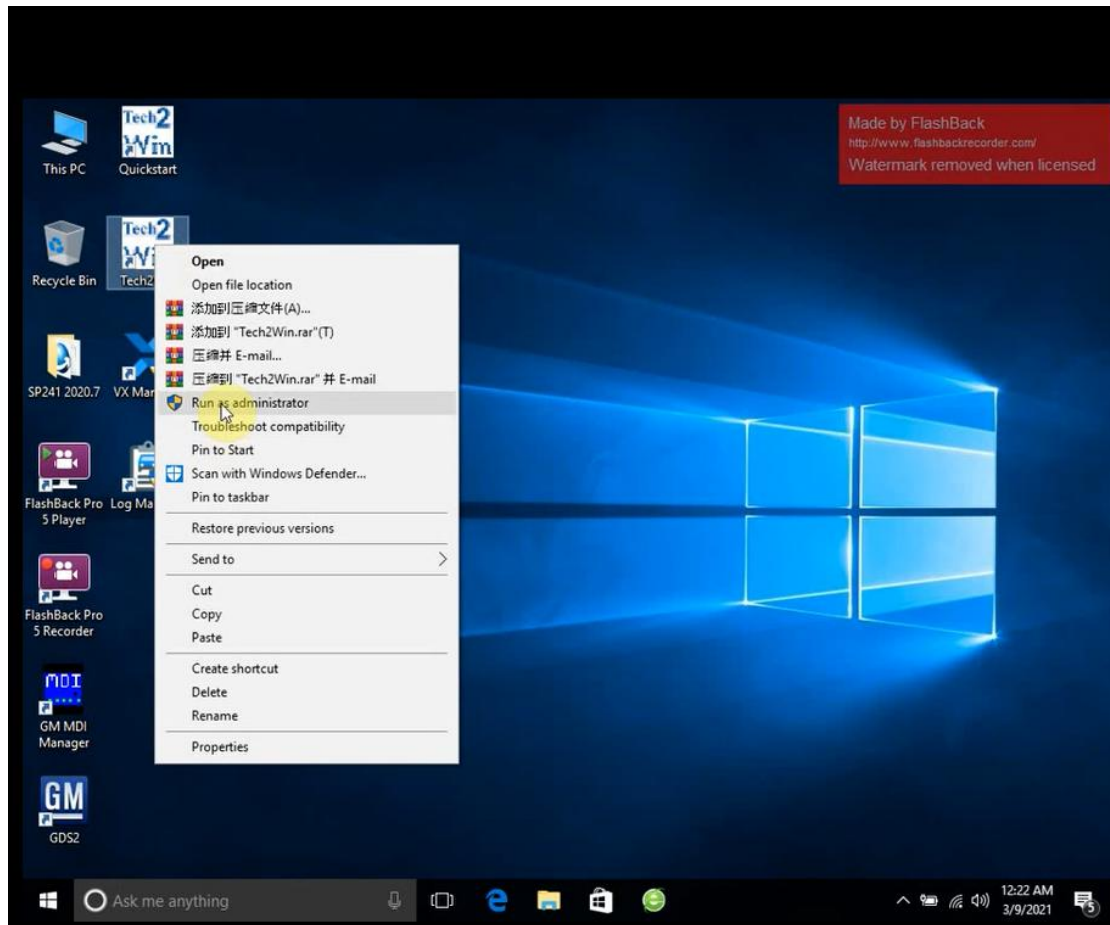

The screenshot shows the GDS 2 software interface. The main window is titled "Please make a selection" and displays a list of years from 2009 to 2021, each with a folder icon. The year 2021 is highlighted in blue. To the right, there are two empty tables: "Selected Vehicle" and "Selected Vehicle Configuration", both with columns for Property, Value, and Value Source. Below these is a "Navigation Path" section. At the bottom, there are buttons for "Back", "Contact Us", "Home", "Vehicle Menu", and "Enter". The status bar at the very bottom shows "GDS 2 v.22.1.00900", "GM Global v2020.7.1", "VIN: 2G1WB58N669270732", "MDI 2: 22124708", "13.0 V", and a Windows taskbar with the time 12:11 AM on 3/9/2021.

Tech2win Display:

Run as administrator.
